## The areas we cover:

## **Family Support Hubs?**

- Each Family Support Hub is a group of organisations including community, voluntary and statutory who deliver services to children/young people (0-17) and their families.
- There are 4 Family Support Hubs in the Northern area all led by Action for Children.
- Each hub aims to link you and your family to the right service to meet your needs.
- We will work in partnership with families, listen to your needs and will help you and your family access the support services best suited to you.
- We are unable to accept referrals or work with families who are involved with Social Services.
